Greetings in the precious name of Jesus our Savior!

This is Pastor and missionary to NW Ghana, West Africa, pastor Isacc Molonaa. The ministry here is going well and many souls are being saved and many people are getting help from the Lord. We are attaching to this report letter some pictures of our ministry here in Ghana. Thanksgiving:

1. My family is thankful to God for leading us to FBHM to be accepted by them. We have been praying for years to get a mission board and the Lord answered us.
2. We also want to thank Pastor Keith Phelps, our FBHM Director or Africa, for taking his time to interview us in person while in Ghana and to see to it, our application was approved.

Some prayer needs:

1. *Pray for my son's health, Ephraim who has a heart disease.*
2. *We are still trusting God to touch the hearts of individuals, families, pastors and churches to put us on support, since we do not have any support yet.*
3. *We are trusting God for resources to run our ministry activities: (a) we need a new, strong motorcycle for my travels. (b) our sports and children ministry needs games and sports materials for our activities as well as finances to organize this year's sporting event.*
4. *Praying for God to provide funds to organize our Sunday school teachers and church workers seminar.*
5. *Pray for more ministry opportunities, especially, more schools will be open for our school ministry. Our school ministry now has 5 schools where preach the gospel on weekly basis. We are able to reach over 800 school children in these schools.*

Thank you so much for your prayers for our ministry here in Ghana. Any support that you can give, no matter how small, will be much appreciated! All support will come through the FBHM office!
