Greetings in the name of our Lord.

We have been blessed in the months of November and December. In **November** God provided the funds to put new tires on our van that we use on deputation. This was a great blessing and a needed part of the maintenance on the van. Please keep the van in prayer as we use it on deputation. We put 39,000 miles on our van in 2024. This van, a 2005 Toyota Sienna, has been a great blessing to us, and we pray it continues to be reliable.

I have been able to go into the port of Panama City many times in November and December and am becoming more familiar with the ships that come through on a regular basis. I was able to reach several souls directly with the Gospel and get many Bibles, John and Roman's, and tracts into the hands of the lost seafarers. A good portion of this literature is in the seafarers native languages. The seafarers are required to speak and read English, but we try to get them some portion of Scripture in their native language.

In **December** we were able to distribute gift bags with tracts, handmade knit caps, homemade cookies, candies, and other small items. We gave out over 100 of these and the response from the seafarers was such a blessing and an open door to reach the seafarers with the Gospel.

I have been filling in at two local churches in November and December. Please pray for their Pastors, Mark Lawrence and Steve Janki as they are going through debilitating health issues.

We have been taken on by several churches and our support level is now at 20 percent, **praise God!**

We now have a mission board, and we would appreciate if all support could be mailed to them at: **Fundamental Baptist Home Missions, Inc.** PO Box 1510 Bessemer City, NC 28016.
